## **Explanation of Call & Rehearsal Times**

**CALL TIME** is 15 minutes prior to the rehearsal start time. Students should arrive NO LATER than this time in order to prepare for rehearsal and be ready to begin rehearsal promptly.

**REHEARSAL TIME** is the actual time that rehearsal begins. If a student misses the standby command at the beginning of the rehearsal, he or she is considered late.

**EXAMPLE:** Morning rehearsal time is 7 AM. This means that call time is 6:45 AM. No students should arrive after this time, in order to be well-prepared for the beginning of rehearsal.

**NOTE:** Any activity NOT scheduled by a director is on a voluntary basis for the benefit of the student and his or her section. Section leaders will often promote activities (for example exercise, leisure, or breakfast) prior to rehearsal in order to create esprit de corp.
